August 12, 1941.

Dear Mrs Manley, - I did not get a chance to talk to you Sunday, as I was called upon to straighten out every thing at the meeting after the game.

I had sent Clark to look after things with definite instructions to cut out the white newspaper man and all unnecessary incidents. He cut out Bromberg and then had \$200 more expense than usual. However 5 bands were included in this, also his expense and the

Unpaid,

I suppose you read my article on some of those
whom are taking Negro Baseball under their
protective wings.

I am not asking for help along this line from
any one, and I can not be bought off or
silenced. Things have gotten as bad and worse
than they were under Lee.

I would suggest 17 x 26 placards, blue or
white.

In regards to games at Columbus
on August 17th.

I have attempted to get the clubs as
much as possible and still spare no
expense in an attempt to double the
usual Sunday Crowd there.

The Grays and Newark each to get
30% of gross but to furnish balls and
umpires. I would like each club to give
\$15 towards Newspaper advertisement. It is
costing Elba \$75 for this and \$50 for a band.

I don't wish to make a bad fellow out

of myself with them.

The Grays have agreed to this as
~~it is~~ both clubs get the same.
